The image shows a terminal window titled "Terminal" with a dark background. The window's title bar includes the text "Activities", "Terminal", and a dropdown arrow, along with system icons for network, volume, and power. The terminal's title bar also displays "गति 10:00". The terminal content shows the user "administrator" at the prompt "administrator@administrator-VirtualBox: ~". The user enters the command "gedit two.sh", followed by "bash two.sh". The script prompts for a number, and the user enters "10". The script outputs "Output: 3628800". The terminal ends with the prompt "administrator@administrator-VirtualBox:~\$". On the left side of the terminal window, there is a vertical sidebar with icons for Firefox, a mail client, and a file manager.
